

## A no-tears guide to adding references in Groff

*PreciousChicken*

### ABSTRACT

The abstract of a no-tears guide to adding references in Groff, see <https://preciouschicken.com/blog/posts/no-tears-references-groff/> for more detail.

Here is a reference to a story about brain cells playing ping-pong (Shepherd, 2022) in my first paragraph.

And another reference to an AI story (Callaway, 2022) in my second paragraph.

Now we are on the final paragraph and I have my third (National Audit Office, 2022a) and then last reference (National Audit Office, 2022b), both from the NAO and both published in 2022. I've also added a footnote for comparison purposes<sup>1</sup>.
